Payment policy (Office Copy)

(Patient copy available upon request)

Your treatment plan and any therapies used are based on medical necessity, not on your insurance coverage or your ability to pay. If you are concerned about Quality Care Chiropractic Clinic's fees for any therapies, please notify the doctor or office manager immediately. As a patient, you do have the right to refuse any of the recommended therapies for your own personal reasons.

INSURANCE

Payment will be due by you at the time of service for any non-covered services, deductibles, or co-pays. If you have a deductible that has not been met, we will collect the full amount of fees for services provided on each visit, up to your deductible amount. Any fees collected exceeding the amount you are responsible for will be applied to future visits, credited to your account, or refunded upon request when there are no outstanding balances on your account.

Your insurance policy is a contract between you and your insurance company. Quality Care Chiropractic Clinic has no authority over your benefits or coverage. While Quality Care Chiropractic Clinic does its best to work with your insurance company, the benefits quoted to us by your insurance company are not a guarantee of payment, and you are ultimately responsible for all fees for services provided. If your insurance denies payment for services you have received, you will be required to pay for those services in full.

"CASH" or SELF-PAY

If your insurance cannot be verified at the time of service, you do not have insurance or your insurance policy does not cover our services, then all fees must be paid in full, with applicable time-of-service discount. If you pay for all services rendered on the day that they are performed (time-of-service), then you are entitled to a reduction in the fees. If you pay at a later date, the reduced rate does not apply.

You are responsible for paying your entire account balance, according to the terms listed above, regardless of perceived value, effectiveness of therapy, or expected outcomes.

If you are the guarantor, parent or guardian of a minor being treated by Quality Care Chiropractic Clinic or its physicians, you hereby acknowledge that you are solely responsible for the payment of all bills incurred in the treatment of your minor child.

If financial hardship can be verified, we can establish a payment plan.

When you receive a statement for payment due, the due date will be printed on the statement. Quality Care Chiropractic Clinic must receive payment by the due date. If no payment is received after two notices, your account may be turned over to our collection agency, and any unpaid balances can be reported to the credit bureau which would be reflected on your credit report as a delinquent account.

If you have any amount that is "Past Due" on your account, any new balances will also be considered due immediately with no grace period for payment. In the event Quality Care Chiropractic Clinic undertakes any type of legal action to collect unpaid balances, you understand that you are obligated to pay any and all court costs and reasonable attorney fees incurred by Quality Care Chiropractic Clinic.

The contact information you have provided on the intake form will be used to notify you. The address you provide is where Quality Care Chiropractic Clinic will send all correspondence. The phone numbers provided will be where Quality Care Chiropractic Clinic will call to notify you. If this information changes you are responsible for notifying Quality Care Chiropractic Clinic immediately to prevent any miscommunications.

I have read and understand all of the information contained in this payment policy. All of my questions have been answered to my satisfaction. To the best of my knowledge, the information I have provided is true and accurate. I understand that I am ultimately responsible for paying for any services that I receive from Quality Care Chiropractic Clinic and its employees.
