ON THE JOB INJURY

Worker's Compensation pays in full of chiropractic care. We cannot accept you as a Work Comp case until we have written authorization from your employer. Upon being released from care, a three-month time period is allowed for settlement of your claim. If a settlement has not be reached within this time period, or if you have suspended or terminated your care without your doctor's approval, payment for services is due immediately.

PERSONAL INJURY OR AUTOMOBILE ACCIDENTS

Please present your auto insurance forms as soon as possible. If an attorney is handling your case, please notify the insurance department in our office right away. Although you are ultimately responsible for your bill, our office will wait for settlement to be paid as long as you are an active patient. If you suspend or terminate care, any fees or services are due immediately.

GROUP OR INDIVIDUAL INSURANCE

Your insurance is an agreement between you and your insurance company, not between your insurance company and this office. As a courtesy to our patients, our office will complete any necessary insurance forms at no charge, and file them with your company to help you collect. It is to be understood and agreed that services rendered are charged to you directly and you are personally responsible.

PATIENTS WITHOUT INSURANCE

- We request that 100% of the first visit be paid at the time of the first visit.
- We are happy to accept your check, MasterCard, Visa or Discover Card.

MEDICARE

We do accept assignment from Medicare. **Medicare will provide payment for adjustments only.** You will be required to pay your 20% co pay on your adjustments after your deductible has been satisfied. We will bill your secondary insurance for your exam, x-rays, and tractions, if applicable. You will be responsible for what your insurance does not pay.

HEALTH PLUS MEDICAID

We do accept assignment of Health Plus Medicaid. Medicaid covers Chiropractic adjustments but does not cover exams or x-rays. Medicaid is evaluated by the state of Michigan on a month-to-month basis and your coverage can change at any time based on your life circumstances. Medicaid is limited to 18 chiropractic visits per 12-month period.

INSURANCE COVERAGE & PAYMENT

Co-pay and deductible amounts are due on the date of service. Martin Chiropractic will make every effort to verify your insurance benefits. **However, please note, verification does not insure payment.** You are asked to authorize Martin Chiropractic to furnish information regarding your case to your insurance company and to assign all benefits as a result of the claim. This permits us to follow up if benefits are other than anticipated. It also permits us to keep abreast of recent developments with local insurance companies, which enables us to continue to provide you with the most up-to-date information available.
